

Jesus' Miraculous Works

Who was Jesus? Some people have reached the erroneous conclusion that He was simply a man who was a good teacher. While Jesus taught many things, He came as the Savior of the world and was God in flesh. In addition to making our salvation possible, He showed His great love and compassion while on earth when He used miracles such as physical healing and the feeding of over 5000 to meet everyday concerns. These simple acts of kindness, miracles which could only be accomplished by God, proved His deity in a way that still gives testimony today.

Main Passage Matthew 14:13-36

Memory Verse

Younger version Mark 6:34b

...He saw a huge crowd and had compassion on them, because they were like sheep without a shepherd.

Older version Mark 6:34
