

Jesus Calls Disciples

This month our children will study the call of the disciples. Jesus called twelve men to be his special followers. Men who would learn His word and be willing to give their lives teaching others. Even more, they were men who would live as Christ, that others may hear His call and also follow (Matt 28:19-20).

Jesus still calls people, including children, today. He expects us as believers to follow Him immediately and to learn His word, so that we can wisely choose what to say, how to act, and how to love as Jesus. We can learn all of this, and more, from the Bible in Sunday School and church, in prayer, and in patience as we commit to follow Jesus and be His disciple. Our children will be encouraged to commit to Jesus so that they too may minister to others. The call of the disciples can be mirrored in every believers life. Jesus still asks people to follow Him. We must be ready.

Main Passage Matthew 4:18-22

Memory Verse Matthew 4:19 (KJV)

And He said unto them, Follow Me, and I will make you fishers of men.
