

Joseph Part II: Joseph in Egypt

This is the second part of a three-part study on the life of Joseph. The story picks up this month after Joseph's brothers sold him into slavery. After his arrival in Egypt, Joseph was sold to a high ranking Egyptian official named Potiphar. He was unjustly accused of a crime and thrown into prison. Joseph was faithful in allowing God to move even when all appeared horribly wrong. God honored and blessed Joseph for his faithfulness. God lifted Joseph out of prison to a position subordinate only to Pharaoh. Our children will learn that God will also honor and bless them if they are faithful to Him (no matter our circumstances). Next month our children will learn why God exalted Joseph.

Main Passage Genesis 39-41
